Just wanted to take a second to say THANK YOU for taking such good care of our "boys". Dr. Clark, you never cease to amaze us at the miracles you have worked on Moose and we truly appreciate it!

Lion-o is all healed up! And the shaved square on his back is filling in! Thanks for getting him all fixed up and happy! He has promised to be more careful in the future.....Many thanks

Just want to say 'thanks.' Mojo and I were there 1 week ago. We didn't make our best impression, especially when he broke free from the exam room and visited the front desk uninvited. The staff was wonderful (as always) as we continue to work on Mojo's allergies and various ailments. What a wonderful clinic!!!

Just took my Coton de Tulear in this morning for a tooth cleaning. What a fantastic staff and office! Thank you all very much for a job well done and for making an out of state person feel so welcome!! I felt very at home in your office!
